HAND SANITIZERS & DISINFECTANTS

ABOUT US

HAND SANITIZERS & DISINFECTANTS

Zytec hand sanitizers are designed to kill harmful germs and bacteria. All our gel and foaming hand sanitizers have moisturizing Aloe Vera and Vitamin E to keep your skin feeling soft and healthy. Our products are available in alcohol-free and alcohol-based (70% - 80%) formulas. Zytec non-sticky hand sanitizer gels and sprays use premium USP / Pharma grade alcohol to ensure excellent efficacy, feel, performance and no unpleasant odors.

Zytec hard surface disinfectant sprays and wipes are formulated to kill 99.99% of viruses and bacteria. They are ideal for use at home, office, gyms, health care facilities and in public places. Our All in One products offer additional protection against a wide range of germs as well as the viruses associated with the Flu and COVID-19.

Zytec is manufactured by Empack Spraytech Inc. Empack is a leading aerosol, liquid filling and wipes contract packaging manufacturer with facilities in Brampton, Ontario. Empack holds a Health Canada Drug Establishment License (DIN products) and Site License (NPN products) and is an FDA and EPA Registered Establishment for NDC and EPA registered products.

Empack produces a wide range of personal care, household care, industrial, automotive, outdoor, computer care and cleaning products under private label and also under various Empack house brands.

Novella Brands Inc. specializes in delivering high-quality, innovative products that resonate with today's consumers—making it a trusted choice for retail partners seeking dependable, fast-moving inventory. Our commitment to excellence is reflected in every stage of our process, from sourcing premium ingredients to utilizing advanced manufacturing practices that ensure consistent product performance and customer satisfaction. As your partner, we prioritize reliability, market responsiveness, and long-term collaboration.
